

Nicole Charette

WEST REGIONAL REP

My name is Nicole Charette. I am a Grade 6 French Immersion teacher at Dr. G.J. MacGillivray. Working in a dual track school provides me a unique opportunity to experience firsthand the challenges faced in our diverse classrooms.

I have had the privilege of serving the KPRETFO community for two years. In this time we have experienced incredible challenges. Through it all, I continue to be amazed and proud of the strength of our members and the support provided through our executive. I have also served as my school steward for seven years.

As a member of the executive, I have had the opportunity to work on the Professional Learning Committee and the Awards Committee. I attended the AGM and have participated in several central ETFO training sessions. I have visited many schools throughout the strike days and saw firsthand the strength of our union.

Our union is so much more. It offers support to members individually and as a community organization. Our union is a leader in pushing issues of equity in the school system both for students and teachers.

It would be a privilege to receive your vote for WEST REGIONAL REP so I can continue to work with KPRETFO in building the community within which we want to live and work.
